

Student Learning Objectives Calendar

Year Long Courses

Beginning August 16	Review data from previous years, administer pre-assessments, analyze pre-assessments, determine student growth targets, and complete GJPS (ODE) SLO Template.
By September 29	SLOs are due to administrator to submit to Evaluation Committee.
By October 20	All SLOs reviewed and returned to administrators for distribution to teachers. Unapproved SLOs will include guidance for revision and new due date for return to administrator for submission to the Evaluation Committee.
By October 20- April 30	Gather evidence, administer formative and short cycle assessments, reflect on teaching practices, and differentiate instruction for student growth.
By May 1	Administer post-assessment, complete GJPS (ODE) SLO Scoring Template, and turn in to administrator
By May 10	Evaluator completes Student Growth Measures Worksheet in eTPES with SLO Rating.
